

School: _____

Clinical Date: _____

Unit: _____

Dear Faculty/Student,

It is our goal that each student and faculty has a positive clinical experience in our facility. We recognize that the student population is the majority of our future workforce. Your input on this evaluation is essential to identify areas of strength and opportunities for improvement. Would you please complete the following evaluation and give to your instructor at the end of your clinical rotation? We appreciate your time and the feedback! Thank you.
